

### SEPTEMBER IS:

**NATIONAL SUICIDE PREVENTION MONTH:** The Veterans Crisis Line, which can be reached at **1-800-273-8255**. *Call this number if you or someone you know is struggling with suicidal feelings.*

September is National Suicide Prevention Month, and while this important time of observance, suicide awareness is not limited to veterans, active duty, National Guard, or Reservists. The military's family needs in this area cannot be overlooked. There is someone to talk with you on anything. **Just reach out and call.**

### September 18th Celebrates the 74TH BIRTHDAY of our U.S. AIR FORCE

Before the creation of the Air Force in 1947, the military's flying operations were handled by the U.S. Army on land and the Navy by sea. The history of this branch of service is an important part of the history of **Air Power** in the United States. Naturally, the Air Force birthday owes a

great deal to Orville and Wilbur Wright who pioneered mechanized flight with their successful mission in 1903. **But the Air Force also owes a great deal to Army pioneers who, roughly four years after the Wright Brothers' triumph at Kitty Hawk, began experimenting with using air superiority to gain tactical advantages in combat. HAPPY 74th BIRTHDAY AIR FORCE!**

### PATRIOT DAY September 11th– 9/11 2021 makes 20 YEARS

**ECC will recognize this day on Thursday,  
September 9th at 10:00am as  
MOMENT OF HONOR/

### DID YOU KNOW.....

Japan's surrender on **September 2nd** which is notable for several reasons: the nation had never surrendered to a foreign power before this, and VJ day also marks the final end of World War Two. President Truman announced as Victory In Japan Day are held during national holidays such as Memorial Day or Veterans Day, the idea being that all military victories are honored on such occasions instead singling out an individual battle or military accomplishment.

### POW/MIA RECOGNITION DAY

**POW/MIA DAY, is September 17th** which is a time to remember the sacrifices of prisoners of war (POW) and servicemembers who are missing in action (MIA). Until 1979, there was no formal recognition day set aside for these important men and women in uniform. In 1971 a military spouse named Mary Hoff contacted a private company to request a flag to honor those missing in action or prisoners of war (*one of whom was her husband*). More than **83,000** are missing from World War Two to the present time.
